

# Literacy homework - Week Four

Hand in Tuesday 4<sup>th</sup> December

Write about our visit to Weston Park Museum. Did you enjoy it or not? How did it compare to Bishop's House? What were the best or worst bits? Have you been before? Will you try to go again? Did anything funny happen? What did you learn as part of the visit? Is there anything else you are looking forward to doing with class, or anything you would really like to do?

Don't forget to make it your best writing and to make it interesting for me.
