

LITERACY HOMEWORK - WEEK SIX

Hand in Tuesday 18th December

Think back about being in school over the last half term. What have you enjoyed the most? Was it something we have done in numeracy or literacy? Was it a school visit? Was it something else? Have you enjoyed working with the different adults? Is there anything you have not enjoyed? Have you found the work too easy, too hard or just right? Which bits have been too easy or too hard? Is there anything you would like to improve on after Christmas?

Please make it your neatest writing.
